Look and functionality

Straight lines and square shapes for a minimalistic, contemporary look or just a simple solution to close your garage space.

Rib

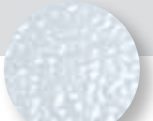

Horizontal ribs every 10 cm give this door a light robust appearance. This is a contemporary door that looks good in any architectural setting. 'Rib' design doors are often combined with full-vision aluminium panels available in any RAL colour and also a golden oak finish. The Wood Rib style doors come with woodgrain embossed surface. Wood image doors can be in naturally looking Golden Oak, Old Oak, Dark Oak or Rosewood finish. 'Rib' design panels are best for extra size doors – they can be made up to 10 metres wide.

Slim Line

Combination of Slick panels and narrow glazed aluminum sections gives this door a very special look. We call this door design - 'Slim Line'.
Various glazing types are available. Window height may vary from 5 to 10 cm.
Glazing with LED stripe lights inside make the door look splendid day & night.
Continuous glazing - up to 3 meters.

Okoume - Create Your Own Style

Standard door panels clad with 12 or 18 mm thick okoume plywood. Extremely water resistant okoume hardwood is used for shipbuilding. By carving or milling okoume layer we can recreate different motifs, patterns and ornaments. Can be varnished in different shades or painted in almost all colours. Combination with windows and specific design will fit most demanding conservation area requirements. Two layers of primer and three layers of varnish or paint give long lasting protection from the elements. Available on all types of garage doors.

Alumax - Unlimited Space For Creativity

Sectional garage door Alumax custom design RAL.
Entrance door RD80 custom design.

Cutting edge technology in garage door design. Unlimited space for creativity!
Absolutely matching entrance and garage door designs. Sectional door panels clad with 2.5 mm aluminium sheets milled and painted any RAL colour including metallic finish and decorated with inlays can create a real piece of art.

Retro - Match the Heritage

The 'Retro' door is made to match the old building style.
Ribbed sections decorated with planks in woodgrain. Fitted with old style metal hinges and handles. Custom design available on request.
